MEMORANDUM OF UNDERSTANDING

The purpose of this Memorandum of Understanding is to memorialize certain understandings reached between **EAST COVENTRY TOWNSHIP** ("Township"), party of the first part, and **THE COUNTY OF CHESTER** ("County"), party of the second part.

WHEREAS, the County intends to construct a public recreational trail generally along the Schuylkill River to be known as the "Schuylkill River Trail" (the "Trail"); and

WHEREAS, a portion of the Trail will be constructed on lands owned by the Township and the County has requested the Township grant certain easements to the County for purposes of constructing and maintaining the Trail (the "Easement"); and

WHEREAS, in consideration for the Township granting the Easement, the County is agreeing to provide to the Township a maximum of $400,000 to be used as matching funds for the Township to obtain a grant from the Commonwealth Department of Conservation and Natural Resources ("DCNR") in order for the Township to construct a trailhead (the "Trailhead") on a parcel of property that the Township has exercised its option to acquire from Exelon Generation Company, LLC ("Exelon") pursuant to an Agreement between the Township and Exelon dated February 14, 2011 (the "Property"); and

WHEREAS, the Property contains approximately eight (8) acres and is part of the Frick's Lock Village located outside of the Exclusion Area Boundary designated for Exelon's Limerick Generating Station ("Frick's Lock"); and

WHEREAS, the County has agreed to provide the aforesaid matching funds and to assist the Township in applying for the DCNR Grant and constructing a parking lot and restroom facility in a historic building at Frick's Lock;

(Consent Agenda)

NOW, THEREFORE, the parties intending to set forth their mutual understandings hereby agree as follows:

1. The Township agrees to acquire the Property from Exelon after Exelon obtains all necessary approvals to subdivide the Property from a larger tract owned by Exelon.

2. The Township has submitted a request to DCNR for a grant of up to $400,000 from DCNR to construct the Trailhead. The County agrees to assist the Township in completing the necessary application in order to secure the aforesaid grant from DCNR.

3. The County agrees to provide to the Township matching funds in an amount equal to the grant funds to be provided by DCNR, up to the maximum sum of $400,000. The County further agrees that the $400,000 shall remain in the County's capital budget until such time as the DCNR grant funds are fully paid to the Township or the Township decides not to pursue the DCNR grant in which case the provisions of paragraph 4 shall apply.

4. In the event that DCNR does not approve the issuance of grant funds to the Township, the Township may re-apply to DCNR in a subsequent year for the grant or, at the Township's election, the County shall pay the Township a fair consideration for the Easement.
